

DCYM Report Continued

In the past months, amidst financial pressures and leadership changes, the Reference Team struggled to discern our next steps. We all wanted outcomes that bring glory to God and addressed our issues. After much prayer and discussion, we decided, for the sake of all involved, a change in direction and regrouping was needed. This included the difficult decision not to renew Blake's contract so he could seek other employment.

Where does that leave the ministry?

- After meeting with the youth leaders, it was clear DCYM was an active, happy inter-church/community youth group with hopes and dreams of continued growth
- We have an active application for Charitable Status in its final stages
- To continue we **need:**
 - ⇒ **reinforcements** of people who care about youth, see the value in this shared ministry and are ready to become involved
 - ⇒ continued and growing **financial support**

We are at a critical stage in this ministry. Please **PRAY** and consider how God might be asking you to be involved. Then contact one of the people listed below before May 30th.

We are convinced God loves the youth of Dauphin and are determined to continue in our efforts to help kids know that – whatever that looks like.

Thank you for sharing in this vision.

Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts.

Colossians 3:16 (NIV)

Dauphin Community Youth Ministry was the vision of a few church youth leaders some years ago and for the last 5 years a group of dedicated people have been working toward that original vision of a youth ministry shared by churches in the city. It has been exciting and challenging with a high point of calling Blake Johnson and his family to Dauphin to help build and shape the ministry. Blake worked with us for an exciting 2 and half years. We love Blake and Colleen and are so thankful for their ministry and friendship and believe Blake has done his part in establishing the ministry well.

Please take a look at the following list and see if you can help. **We would ask that all donations be approved by our office administrator before they are delivered to the camp.** Especially if you have an item that is not listed and think you'd like to donate. Some items, although special or useful to someone, may not be useful to DBC. Thanks for your generosity and your understanding.
