

Being a missionary can be lonely work. A simple e-mail, phone call, or note of encouragement can go a long way to letting our missionaries know that they have not been forgotten. Why not send a note to a missionary this week letting them know that you are praying for them - and not just those overseas but those that serve closer to home as well?

A Note From the AGC

Dear AGC churches and pastors,

We want to alert you to an opportunity for your church to help in what the UN is calling the **greatest humanitarian crisis since 1945** – the [famine in South Sudan](#). The AGC is in partnership with World Relief Canada, which recently sent us this information:

“When disaster hits anywhere in the world, we are able to immediately respond through our partnership with the Integral Alliance. Presently we are responding to the famine crisis in South Sudan. We are providing help to 42,000 children (between 6 months and 5 years) and their mothers. Gifts are being matched 3X by the Food Grains Bank. The product we are distributing is called Plumpy’Nut and samples are available to show congregations. One of the biggest needs in this region is the need for peace, and prayers are coveted towards that end.”

If your church would like to partner with World Relief Canada in bringing much needed relief to South Sudan, please go to this link: <https://worldrelief.ca/projects/south-sudan-famine/>
