Dear AGC Churches,

We want to alert you to an opportunity for your church to help in what the UN is calling the **greatest humanitarian crisis since 1945** – the [famine in South Sudan](#). The AGC is in partnership with World Relief Canada, which recently sent us this information:

*“When disaster hits anywhere in the world, we are able to immediately respond through our partnership with the Integral Alliance. Presently we are responding to the famine crisis in South Sudan. We are providing help to 42,000 children (between 6 months and 5 years) and their mothers. Gifts are being matched 3X by the Food Grains Bank. The product we are distributing is called Plumpy’Nut and samples are available to show congregations. One of the biggest needs in this region is the need for peace, and prayers are coveted towards that end.”*

If your church would like to partner with World Relief Canada in bringing much needed relief to South Sudan, please go to this link: <https://worldrelief.ca/projects/south-sudan-famine/>

*AGC National Office*

UPDATE:

On May 29th, the Government of Canada announced that for every dollar given by Canadians towards famine relief and prevention, they will give \$1 to assist as well. Thanks to our partnership with the Canadian Foodgrains Bank, when you give to relieve famine through World Relief, your dollar is now worth even more! The math works like this.

**\$1 from you**  
**+ \$3 through the Canadian Foodgrains Bank**  
**+ \$1 for Canadian Famine relief fund**  
**= 5 for South Sudan**

**Donations should be clearly marked “Sudan Relief” . Please speak to a member of the board if you have any questions.**
