

Andrew & Tasha Sevigny

Andrew, Madison & Tasha

Andrew—Executive Director Dauphin Bible Camp

Tasha—Horsemanship Director

Dauphin Bible Camp is a non-profit summer camp.

A place to *meet God* through His Word and through the wonders of His creation. An opportunity to get to know Jesus Christ personally as LORD and SAVIOR.

Andrew is responsible for all areas at camp. As the Executive Director, he connects with donors, helps build the annual budget, leads all other full time staff, keeps up with current regulations and policy, and simply put makes sure everything is running smoothly. He loves the administrative role that he gets to be a part of at camp. Even though he is very much a people person, God has revealed to him the administrative skills that he does have and with those skills Andrew is able to help make sure that everything is in place for those on the front line to share the Gospel with the kids that attend Dauphin Bible Camp.

Andrew loves sports and is the *chaplain of the Dauphin Kings*. If Andrew is not at camp he is probably playing or watching some kind of sport.

Tasha is responsible for all the horses and the stables at the camp. As the Horsemanship Director she looks after the well being of all of the horses, takes care of purchasing feed, maintaining the stable area, teaching people how to safely ride, and leading all of the summer team at the barn. Tasha's love for horses has helped her to be confident in her role. She is able to spend time telling people about the love of God while they are at the barn, whether it be through devotion times, or while people are riding. Tasha's leadership skills have been an asset to the camp, as she is able to lead and teach other people how to help be great leaders at the stables.

Andrew and Tasha have a 4 year old daughter **Madison**. She loves spending time with both mom and dad. She enjoys spending time with the horses with her mom, and she loves to spend time outside playing games with her dad. Madison loves her animals too. She can usually be seen pushing her pet chickens on the swing, playing with a cat, or throwing the ball for her dog. Madison is so happy living at camp and getting to see all of the summer team, who end up being some of her best friends.

Prayer Requests:

- Tasha's health** (energy and strength, wisdom for doctors as they try to figure out the issues that Tasha has had for multiple years now)
- Wisdom for Andrew** as he leads the team at camp and helps to keep the camp a safe and fun place during this crazy summer of regulations.
- Continued **financial support**, both of us are responsible to raise our own personal support.

Recent Camp project:

-**Electricity** has been installed in all cabins. This will allow for more year round ministry at the camp, as the cabins can be used outside of summer months as well. During summer cabins will stay cool which will allow for better rest and better health.

To encourage the Sevigny's contact them at:
